## Message to the Class of 1950

It is a pleasure to welcome all of you to the campus this autumn, and to wish you as new Trinity men every success here. I am certain that you will receive at Trinity an excellent foundation and an adequate preparation for whatever career you may wish to pursue in life.

The world today is crying for educated leaders, and Trinity with its able faculty is ready and willing to do her share. Those of you who are veterans know as I do that it is more obvious than ever that wars can only be overcome by education—the killer of greed, hate and prejudice. There is, therefore, no need to encourage or to exhort you as to what should or should not be done on the question of studies.

I should like to emphasize that after your studies, the college extra-curricular activities such as the Tripod, Ivy, Political Science Club, Jesters, Athenaeum and Glee Club can do much for your future development and can add greatly to your pleasure.

I shall follow your college career with great interest. Good luck.

G. KEITH FUNSTON,  
President.

## Message from the Dean

There has been during recent years an obvious need for a convenient and serviceable recapitulation of the rules and traditions of the College. A compendium such as this Handbook must try to be all things to all men, and it is unreasonable to expect that it will anticipate every question which may occur to the minds of new students or of returning students. I know something of the time and thought devoted to this compilation by its editors, and I am glad to express the appreciation of the College.

College rules exist on our campus and must be observed carefully. They are not arbitrary and they are not devised solely in order to plague the student body. To be sure, it is hardly necessary to define the rules of gentlemanly conduct and common sense. We are convinced, however, that we ask our students to abide by a code which is designed for the welfare of the entire College community and we expect that every Trinity student will be familiar with the regulations which affect him. If that purpose is served by this Handbook and if, at the same time, we take one more step to encourage and foster our traditional student activities, the editors will feel well rewarded for their efforts.

ARTHUR H. HUGHES,  
Dean.

## To The Class of 1950

You have all asked yourselves at one time or another: Why do I want to go to college? The answers have usually brought out the fact that college training can prepare you for work in the field in which you are most interested: medicine, law, engineering, business administration, education or the ministry. While it is true that a college education will prepare you for these vocations, it has a far greater purpose: to prepare you for leadership and its obligations. The great question today is whether we can establish lasting peace or whether we must from now on live in constant fear of annihilation. The answer to this question depends in part on you and how you make use of what you learn here at Trinity. You will come, I know, to consider your years at college as a dedication of yourself to the service of your fellow-man, regardless of his race, color, creed or nationality. This is the real purpose of a college education.

As a Trinity graduate, I know what wonderful years lie ahead of you. You will find adventure in your studies, enjoyment in your extra-curricular activities, and great happiness in new and enduring friendships. Enjoy all these things greatly!

We shall meet at various times during your Freshman year to discuss your work and your college program. But do not feel that you have to wait for these regularly scheduled appointments. I shall be very glad to see you at any time, if you think that I can be of help to you.

A. E. HOLLAND,  
Adviser to the Freshman Class.

## A Short History of the College

Trinity College (called Washington College until 1845), was founded in 1823 upon the petition of "sundry inhabitants of the State of Connecticut, of the denomination of Christians called the Protestant Episcopal Church." Although Trinity College was founded by a church group, its charter was one of the first to state that the ordinances of the College "shall not make the religious tenets a condition of admission to any privilege in the said college." Thus Trinity was a leader in the fight for religious tolerance.

The first President of the College was the Rt. Rev. Thomas Church Brownell, Bishop of Connecticut. In the first year there were nine students.

Originally, the College buildings were located on the site now occupied by the State Capitol. The College was moved to its present location in 1878, when Jarvis Hall and Seabury Hall were completed.

During its 123 years, the College has had only twelve presidents. Famous among these is Bishop Williams who served as President, Vice-Chancellor and Chancellor from 1848 to 1899. The longest term as President was that of Dr. Remsen B. Ogilby who was head of the College from 1920 until his death in 1943. It is also interesting to note that President Funston is the second layman to be President of Trinity.

Today, Trinity has almost 3,500 alumni in all parts of the United States, and its student body is the largest in its history.

## The College Buildings

If you start at the Chapel and walk west, the first building you pass is Williams Memorial. This building contains the offices of the President, Dean and Comptroller. On the second floor is the Library, and under the arch is the post office.

Turning left in front of the entrance to the Library, you have on your right the other buildings on the campus: first, the seven sections of Jarvis Hall (1878), then Northam Towers (1881), and finally the sections of Seabury Hall (1878). Jarvis Hall contains the office of the Director of Admissions and Adviser to the Freshman class (Jarvis 2), the offices of the Alumni Secretary and of the Administrative Assistant to the President (Jarvis 19), and forty-two suites of rooms for students. Northam Towers is traditionally known as a Freshman dormitory. Seabury Hall contains a number of classrooms, the College Bookstore, the infirmary (Seabury 24), and Faculty offices as well as a lounge for day students.

At the south end of the Quadrangle, you will find the Dining Hall, Cook Lounge and in the basement, the cafeteria. Upstairs are the Cook-A Dormitories and the College guest room.

Adjoining this building and forming the south side of the Quadrangle are Cook-B and Cook-C Dormitories, Woodward Dormitory with its beautiful lounge, Goodwin Dormitory and the Chemistry Building which is considered one of the best-equipped in the country.

Passing through the Bancroft Arch which separates Goodwin Dormitory from the Chemistry Building, you will find in front of you the Boardman Hall of Natural History which contains the laboratories and classrooms of the Departments of Biology, Geology, Mathematics, Drawing and Psychology. The Museum and the office of the Medical Director are also in this building.

To your left is Jarvis Laboratories in which are the classrooms and laboratories of the Physics Department.

Behind Jarvis Laboratory is the New Hall-don Engineering Laboratory, the gift of Karl W. Hallden of the Class of 1909.

Still further to your left are the tennis courts and, in the southeast corner of the campus, Trowbridge Memorial. Trowbridge houses the swimming pool and the six championship squash courts. It is the center building of what is to be a complete physical education unit: field house, squash courts, swimming pool, and gymnasium.

Coming back through Bancroft Arch across the campus towards the Chapel you will find on your right, the Mall; the statue of Bishop Brownell, the Founder of Trinity; and the sports fields.

The Chapel is one of the finest examples of Gothic architecture in the United States. The rose window, the stained glass window over the altar, the carvings, the Chapel of Perfect Friendship and the Crypt Chapel are all worth careful study.

Beyond the Chapel towards Vernon Street is Alumni Hall. Here, for the time being, are the gymnasium, the dressing rooms and the offices of the Physical Education Department.

At the corner of Vernon and Summit Streets is Ogilby Hall, the newest dormitory. And on Vernon Street are the homes of President Funston, Dean Hughes and various members of the Faculty. The fraternity houses, with one exception, are also located on Vernon Street.

## Student Rules

The following excerpts from the Statutes of the Trustees of Trinity College and from the minutes of the Faculty apply to all students and to all the buildings and grounds of the College:

No minor unmarried student not residing with his parent or guardian may lodge in any building not owned or controlled by the College, without the permission of the President. Such permission may be given upon such conditions and for such time, not exceeding one year, as the President may deem advisable.

Rooms in the College buildings shall be assigned to the students under the supervision of the President. No student shall remove from one room to another without the President's permission.

Every student shall be responsible for all damage done to his room or to the College property affecting his room and for damage he may do, or participate in doing, to other College property. He shall also be accountable for all improper conduct of any kind occurring in his room. No electrical equipment, other than radio or electric razor, may be allowed in the rooms without permission from the College office.

Due to City of Hartford fire regulations, the use of fireplaces in rooms will be prohibited.

An officer of the College may visit any room, at any hour of the day or night, and may examine, as he shall think proper, anything in said room. Every student shall immediately open his door when required to do so by an officer.

Students in residence shall board only in such places as are approved by the President.

Residence within the walls is not allowed in vacation, unless by permission of the President.

Every student is responsible for the neatness of his living quarters and for the maintenance of proper conditions for study and for good order in his room.

No student shall keep a dog in a College building.

The use of musical instruments and radios is restricted to the hours of 12 noon to 2 o'clock in the afternoon and 4 o'clock in the afternoon to 8 o'clock in the evening. Upon complaint against annoyance or inconvenience caused by the use of such instruments in any room, their use must be discontinued. No boisterous music or playing upon drums or other harsh instruments shall be allowed at any time.

No ammunition or explosives of any kind or firearms or weapons of any description shall be brought into any College building or kept there without a special permit from the President. No student shall discharge firearms within College precincts at any time.

Riotous or noisy behavior in or about College premises, gambling, intoxication, or bringing into the College grounds, without permission, intoxicating liquor, shall render the offender liable to punishment.

No motor vehicles shall be parked or kept in any places on the campus except those designated for such use. No motor vehicles shall be driven on grass or walks or anywhere off the driveways, except by special permission.

Women shall not enter the dormitories of the College without special permission obtained beforehand from an officer. This regulation applies to relatives as well as to others.

Solicitors, canvassers, pedlars, salesmen, and unauthorized persons of all descriptions are not permitted to enter College buildings. Students are forbidden to negotiate with such persons or to admit them to their rooms. The presence of such a person on the College premises should be reported to the watchman or other officer of the College.

A Student Committee shall have no power to complete arrangements for a dance until it has consulted with the Dean and Committee on Student Organizations. Such conferences shall be held at least four weeks before any formal dance and at least two weeks before any informal dance.

Ten days previous to any house party, tea-dance, informal dance, or other social function a statement shall be submitted to the Dean concerning plans for conducting the affair, its nature and duration, and the names of the chaperones who have consented to serve.

## Rules Regarding Attendance in Physical Education

A student must satisfy all requirements in Physical Education before he can be recommended for his degree.

All students carrying a full academic schedule must fulfill the following requirements in Physical Education:

Six terms credit (three years) are required, which includes passing a swimming test. Credit up to one year may be allowed for work done in the service.

In any term, four unexcused absences are allowed. If a student takes more than the allowed number of unexcused absences in Physical Education in one term, he shall be required to complete that term's work without credit and shall in addition be required to take an additional term's work in Physical Education in order to fulfill his requirements for graduation.

### Cut Allowances

1—At the end of a semester, the average grade of each student shall be entered on the record cards in the college office. A number indicating the student's rank in his class may be added.

2—On the basis of the average grade, each student shall be classified in one of four groups, as follows:

Class 1—Average grade 85% or more.

Class 2—Average grade from 78% to 84%, inclusive.

Class 3—Average grade from 70% to 77%, inclusive.

Class 4—Average grade below 70%.

3—The number of cuts per course per semester are as follows:

Class 1—Unlimited number of cuts.

Class 2—Five cuts per term.

Class 3—Four cuts per term.

Class 4—Three cuts per term.

4—Freshmen and transfer students are automatically in Class 4.

Returning veterans are classified on their last term marks before leaving Trinity. All men are classified on the previous term's marks.

5—Penalties for overcutting shall be assessed in the following manner: for each cut in excess of the number allotted to any student, one (1) semester-hour of credit shall be deducted.

6—Students who complete only four or fewer courses shall automatically be put in Class 4.

### Honor Societies

There are two Honor Societies at Trinity: Phi Beta Kappa and Pi Gamma Mu.

The Trinity Chapter of Phi Beta Kappa, known as the Beta of Connecticut, is the eighth oldest chapter in the country. To satisfy the scholastic requirements for membership in the Trinity Chapter, a student must have attained the grade of A in at least 10 courses and the grade of B in 10 additional courses.

The Trinity Chapter of Pi Gamma Mu, the national social science honor society, is known as Connecticut Alpha. The scholastic requirements call for a mark of at least 85% in a minimum of 3½ full courses in the social science field.

## Advisers

The Adviser to the Freshman Class is Mr. Holland. His offices are in Jarvis 2. Freshmen register for their courses in his office and have regularly scheduled appointments with him throughout the year to discuss their courses, their plan of work, and any problems they may have.

Upperclassmen are assigned to special Faculty advisers, usually to those who teach in the field in which the student is majoring. Dean Hughes is the general adviser to upperclassmen. The names of advisers are posted on the bulletin board in the north archway.

## Notices

Official notices are posted on the Bulletin Board to the right of the entrance to Middle Jarvis and on the Bulletin Board outside Dean Hughes's office. Miscellaneous notices are posted on the Bulletin Board in the north archway outside the Post Office and on the Bulletin Board to the left of the entrance to Midd'e Jarvis. Personal notices are put in the mailboxes of resident students and in the mail-rack in the Post Office for non-resident students.

## The Post Office

The Post Office is in the west end of Williams Memorial under the archway. Students have access to their mailboxes at all times, but the office is open for sale of stamps, etc., only between 9 a. m. and 4:30 p. m. Parcel post rates and a scale are available for those who wish to send packages.

There are two incoming mails (8:30 a. m. and 2:30 p. m.), and there are three outgoing mails (8:30 a. m., 2:45 p. m. and 8:30 p. m.). Outgoing mail can be deposited either in the box by the entrance to the Post Office or in the box on Vernon Street just outside the gate.

## Telephones and Telegrams

Telephone coin boxes are located in the Post Office, in the basement of Middle Seabury, outside Cook Lounge, outside Cook A-23, outside Woodward Lounge, and in the east section of Ogilby Hall.

During the day, telegrams can be filed at the College office in Williams Memorial.

## The Senate

The Senate, which is the student governing body, has charge of all class and club funds and supervises the student organizations. It is composed of one representative from each fraternity, a representative from the Commons Club, a representative from the on-campus neutral group, and a representative from the off-campus neutral group. The Trinity Club will also be given representation starting with the Spring 1947 elections.

The Senate for the year 1946-1947 is as follows:

President — Robert Toland, III; Secretary — Glenn S. Gately; Treasurer — John S. Wilson.

Members — Joel Bengston, Thomas F. Egan, Edward H. Jawin, Andrew W. Milligan, Jr., George L. Smith, Richard V. Weisenfluh, James D. Wickenden.

The President of the Senate is also the head of the College Body.

## Medusa

Medusa is the Senior Honorary Society at Trinity. To be tapped for Medusa is the greatest honor a Trinity undergraduate can attain.

The tapping ceremony takes place in the spring. All members of the Junior class gather around the statue of Bishop Brownell, and the outgoing members tap those Juniors who have especially distinguished themselves during their first three years at college.

Medusa has the function of maintaining Trinity traditions.

The present members of Medusa are Karl A. Reiche, Jr., '47; John F. Tyler, '47.

## The Sophomore Dining Club

Organized in 1897, the Sophomore Dining Club is an honor society whose members are elected from among the students in the Sophomore class. The members of the club are the official hosts of the College, and are entitled to wear a blue cap with a gold band.

## College Organizations

### The Seabury Society

The Seabury Society is an organization for students who are planning to enter the ministry. Affiliated with the National Association of Canterbury Clubs, the group stresses worship, study and service. Various clergymen are invited to address the group and a great deal is learned which will help the pre-divinity students in their future ministry.

### The Newman Club

The Newman Club is an organization composed of students who are members of the Roman Catholic Church. The adviser to this group is Father Callaghan. The Club holds frequent meetings and arrangements are made for outside speakers, Communion Breakfasts and other activities.

### The Political Science Club

The Political Science Club is made up of students who are actively interested in national and international affairs. Professor Humphrey has been the faculty adviser to the club ever since he came to Trinity thirty years ago. The meetings to which prominent speakers are invited are open to all members of the student body.

### The Jesters

The Jesters is the name of the dramatic club at Trinity. At least one play a year is presented by the group at the Avery Memorial in downtown Hartford. Students who help in any way with the production become members of the club.

### Glee Club

Trials for the Trinity Glee Club are held immediately after the beginning of the college year. Any member of the student body may try out, and the selected group of approximately thirty men which forms the club give concerts in Hartford and in neighboring cities. In the past the Glee Club has held joint concerts with the Glee Clubs of Connecticut College and Mount Holyoke College.

### Chapel Choir

Members of the Chapel Choir are ordinarily chosen from the members of the Glee Club, but any student may try out for the Choir. In addition to singing at the regular week-day Chapel services, the Choir sings on Sunday at the services of Morning Prayer and Evening Vespers.

### The Pipes

The Pipes is the name of the choral octette at Trinity. Started in 1938 by four members of the Delta Psi Fraternity, the Pipes became very popular with the student body and may be heard many evenings on campus and at college parties.

### The Tripod

The Tripod is the college newspaper. There are twenty-six issues a year. All students are eligible to try out for positions on the editorial or business staff. A subscription to the Tripod is included with your tuition fee.

The present Editor of the Tripod is David Thomas Gorman. The Business Manager is George Donnelly. Students wishing to compete for positions on the Tripod should see one of these men.

### The Trinity Ivy

The Ivy is the college year-book. It is published each June by a staff composed of members of the Junior class in honor of the graduating class. The Editor and the Business Manager are appointed each year by the Senate. The present Editor of the Ivy is John H. Thomas and Robert E. Garipey is Business Manager. Other members of the staff are appointed by these two men and any Junior who is interested in working on the Ivy Staff should contact them.

### The Trinity Engineering Club

The Trinity Engineering Club was founded to provide students of engineering and allied sciences with an opportunity to meet practicing engineers and to discuss with these experts important developments in the various fields of engineering.

---

There are many other clubs and organizations on the campus including the Camera Club, the Rifle Club, Les Amis de Marianné, and the Radio Club. Notices regarding meetings of these clubs will be posted on the Bulletin Board.

## Athletic Activities

Athletic activities at Trinity College are divided into three classifications: Intercollegiate athletics, Intra-mural athletics, and required physical education. All three divisions are under the supervision of the Physical Education Department.

**Intercollegiate Athletics:** Schedules are arranged for varsity and junior varsity teams in the following sports: football, soccer and cross-country in the fall; basketball, swimming and squash racquets in the winter; and baseball, track and tennis in the spring. In addition, an informal intercollegiate schedule may be arranged in dinghy racing and golf. The governing body for intercollegiate athletics is the athletic advisory council composed of three undergraduates elected by the students, three alumni members and three members of the faculty.

All students become members of the Trinity College Athletic Association when they pay their regular tuition at the college office. This entitles them to admission to all home athletic contests and permits them to try out for varsity athletic teams, providing they are academically eligible.

All students who are successfully carrying a full academic schedule are eligible to participate on intercollegiate varsity or junior varsity athletic teams representing the college. Beginning in the fall of 1947, Trinity will maintain a full year freshman rule, a full year transfer rule and a three-year varsity rule in keeping with the prewar practice in vogue in most of the colleges in our group.

A system of student managerships for the various varsity and junior varsity teams makes it possible for students to gain valuable organizing and business experience. Application for managerships should be made to the Director of Physical Education or to the coach of the sport involved.

**Intra-mural Athletics:** The aim of the intra-mural program is to provide athletic competition for as large a group as possible and is particularly for students not participating on junior varsity or varsity teams. The sports on the intra-mural program are basketball, swimming, water baseball, squash racquets, track, tennis and softball. A trophy is in competition in each sport. A point system of scoring has been devised to determine the winner in all intra-mural competitions for the year and the Alumni Trophy is awarded to the team earning the greatest number of points.

**Physical Education:** This is a required course for all freshmen, sophomores and juniors, reporting three times per week throughout the college year. A regulation uniform is required. Credit for Physical Education attendance is given to members of varsity or junior varsity intercollegiate athletic teams during the season they are actively engaged on these teams. No attendance credit is given for intra-mural athletics.

Anyone overcutting classes will be required to attend until all requirements have been completed. Six terms (three years' credit) in Physical Education are necessary for graduation. Physical Education credit up to one year is given for military service.

## Athletic Trophies

### The George Sheldon McCook Trophy

This prize is probably the most coveted of all athletic prizes at Trinity College. The award is given annually to a member of the senior class who has gained distinction in athletics and has shown qualities of leadership, sportsmanship, honor, courtesy and general dependableness. This prize was awarded to David A. Tyler, Jr., for the 1946 season.

### The Newton C. Brainard Squash Racquet Award

This award has been made annually to the winner of the college squash racquet championship tournament. The winner's name is inscribed on a bronze plaque on the wall of the squash racquet section of the Trowbridge Memorial Building. Last winter, the winner was Frank H. Borden, Jr.

### The "1935" Award

The class of 1935 has annually presented this prize to the player who has been of "most value" to the football team. The qualifications for this award are leadership, sportsmanship, team spirit, loyalty and love of the game. A major trophy is kept in the College trophy case and a replica is given to the recipient on Class Day.

### The Outstanding Baseball Player Award

This prize is given annually on the same basis as the Peter S. Fish Soccer Award. A major trophy is kept in the College trophy case and a replica is presented to the winner.

## The Peter S. Fish Soccer Trophy

This trophy is presented annually to the Senior on the Soccer team who best fulfills the following qualifications: (1) Makes the greatest contribution to the team's success and (2) demonstrates gentlemanly conduct, good sportsmanship and inspirational leadership. The trophy is kept in the College trophy case.

## The Horace G. Cleveland, III, Tennis Medal

This award was given by Sergeant and Mrs. William A. Merchant in memory of Horace G. Cleveland, III, class of '42, First Lieutenant, U. S. M. C. R., who was killed in action in the South Pacific. A medal is awarded each year to the tennis player who best combines qualities of sportsmanship and leadership with tennis excellence. This year, the award will be presented to the winner of the Fall Tennis Tournament.

## The Arthur P. R. Wadlund Basketball Award

This prize was donated by V. Paul Trigg in memory of Professor Arthur P. R. Wadlund, Jarvis Professor of Physics. It will be awarded annually beginning with the 1946-47 season to the most valuable player on the Varsity basketball team. The major trophy will be kept in the College trophy room and a replica will be presented each year to the winner.

## Fraternities

**Epsilon Chapter of Delta Psi**, 340 Summit Street. In 1847, two chapters of Delta Psi or St. Anthony Hall were founded simultaneously, one at Columbia College and the other at New York University. There are now nine active chapters. The Epsilon Chapter was established at Trinity on October 17, 1850, and is the oldest of all the resident fraternities.

**Phi Kappa Chapter of Alpha Delta Phi**, 122 Vernon Street. The Alpha Delta Phi Fraternity was founded at Hamilton College in 1832, and now consists of twenty-six chapters in this country and Canada. The Phi Kappa Society at Trinity was the parent organization out of which the Phi Kappa Chapter was founded here in 1877.

**Alpha Chi Chapter of Delta Kappa Epsilon**, 98 Vernon Street. The Delta Kappa Epsilon Fraternity, whose name is usually known as D. K. E., was organized at Yale University in 1844. There are now forty-seven active chapters. The Alpha Chi Chapter was chartered in 1879 at Trinity.

**Beta Beta Chapter of Psi Upsilon**, 81 Vernon Street. The Psi Upsilon Fraternity was founded at Union College in 1833 — one of the oldest college fraternities in this country. The Beta Beta Chapter was founded here in 1880, being organized from the local society of many years' standing known as Beta Beta.

**The Phi Psi Chapter of Alpha Chi Rho**, 114 Vernon Street. In 1896 the Fraternity of Alpha Chi Rho was founded here at Trinity

College in Northam 11 by the Rev. Paul Ziegler, '72, and four Trinity undergraduates. There are now eighteen chapters in the major colleges in this country.

**Sigma Chapter of Delta Phi**, 70 Vernon Street. Delta Phi, third in order of establishment of American college fraternities, was founded in 1827 at Union College. There are now twenty chapters. A charter was granted to the Sigma Chapter in 1917, and the fraternity merged with the old local I. K. A. Society which was founded here in 1829. I. K. A. was the oldest local fraternity in the country.

**Delta Chi Chapter of Sigma Nu**, 78 Vernon Street. Sigma Nu was founded at Virginia Military Institute in 1869, and now has ninety-eight chapters. The Delta Chi Chapter was chartered here in 1918. Its first members included the membership of a local fraternity known as Sigma Psi, formed in 1911.

**Alpha Tau Kappa**. The local fraternity of Alpha Tau Kappa was founded at Trinity in 1919. Its founders were members of the Hartford Club at Trinity which organization grew up out of the interest of a number of undergraduates in promoting social intercourse among the non-resident students of the College.

For those who do not choose to join a fraternity but who want to be in some social organization, there is the Commons Club, founded in 1931, whose members are chosen by invitation, and the Trinity Club.

## Rules for Rushing

The following rules for rushing have been adopted by the Council in an endeavor to avoid, to the advantage of the new man and the fraternity, some of the evils of "cut-throat" rushing.

### INTERFRATERNITY AGREEMENT, 1946

#### Article I

All rushing shall be controlled in accordance with the rules stated in this agreement.

#### Article II

Pledging shall be deferred until the date stated below.

#### Article III

New men on the Campus may not be entertained at meals in any Fraternity House until the day on which classes commence.

#### Article IV

No man shall accept more than six invitations to meals in any one House during the week following the official opening of College and not more than two of these meals shall be each of the following: breakfast, dinner, or supper.

#### Article V

There shall be no off-campus rushing. Rushing will commence Tuesday, September 17, at 8 a. m., and terminate Tuesday, October 1, at 9 p. m. Entertainment at the houses shall cease at 9 p. m. on weekdays and 12 midnight

on Saturdays. Communication between upper-classmen and freshmen from 9 p. m. Tuesday, October 1, until after the adjournment of the Interfraternity Council meeting on Wednesday, October 2, shall be prohibited.

#### Article VI

The number of freshmen pledging each House shall be limited to twenty. Each individual House shall be liable to penalty by the Interfraternity Council for infractions of this Rushing Agreement by its own Alumni.

#### Article VII

Between 9 a. m. and 4 p. m. on Wednesday, October 2, each new student shall have opportunity to deposit, in a box provided by the Interfraternity Council, and on blank forms provided for the purpose, his choice of Fraternities with which he desires to be affiliated. He may indicate first, second, and third choices. At 5 p. m., these statements of choice shall be examined by the Interfraternity Council Chairman and the heads of the Houses, and the results shall be reported to each House for action.

Before 9 p. m., the head of each House shall report to the committee its acceptance of such men as may please it from the list of those making that House their first choice. Of those not accepted, the House receiving second choice may make selection. The same procedure shall be followed in case of third choices.

Fraternity men shall not visit with a freshman in the dormitories after 9 p. m. on weekdays and 12 midnight on Saturday during on-campus rushing.

## Trinity Songs

### "NEATH THE ELMS"

'Neath the elms of our old Trinity,  
'Neath the elms of our dear old Trinity,  
    Oh it's seldom we'll meet,  
    In the moonlight so sweet,  
'Neath the elms of our old Trinity.

On the hills of our old Trinity  
In the halls of our dear old Trinity,  
    There is right merry cheer,  
    There are friends, true and dear,  
In the halls of our old Trinity.

College days are from care and sorrow free,  
And oft will we seek in memory  
    Those days that are past,  
    Far too joyous to last,  
'Neath the elms of our old Trinity.

Then we'll sing to our old Trinity,  
To our dear old Alma Mater, Trinity;  
    We're together today,  
    And tomorrow away,  
Far away from our old Trinity.

'Neath the elms of our old Trinity,  
'Neath the elms of our dear old Trinity,  
    No more shall we meet,  
    Our classmates to greet,  
'Neath the elms of our old Trinity.

## A SMART TRINITY MAN

A smart Trinity man conceived a mighty plan,  
And straightway put the project into motion;  
    He built a lab'ratory boat  
    And he set the thing afloat,  
Now Trinity's the gem of all the ocean.

Then hip! hip! hurray! We'll drink till dawn  
    of day,  
And each to the other pledge devotion;  
    Here's a health to you and me,  
    May we ever happy be  
For Trinity's the gem of all the ocean.

## CHEER FOR OLD TRIN

Up in fair Hartford where the merry breezes  
    blow  
There's a College of renown, you bet! you bet!  
And all her rivals who think that she is slow  
Haven't recovered yet, Not yet!  
And when you hear her battle cry  
Floating o'er the fields,  
Then you'll know the reason why  
Old Trin will never yield.

Cheer for old Trin  
Make a mighty din  
Let it resound through all the ages.  
Warriors bold  
With a strength untold,  
Fight for the Blue and Gold.  
Rah! Rah! Rah!

### FIGHT TRINITY

Our warriors bold out on the field  
 Up and fight, up and fight, Trinity.  
 As men of old they never yield,  
 Up and fight, up and fight, Trinity.  
 To bring you fame our one endeavor,  
 Our ties to you we ne'er shall sever,  
 Our toast, "To Trinity forever,"  
 Up and fight, up and fight, Trinity.

Fight, Trinity,  
 Keep up the fight for fame and glory.  
 Fight, Trinity,  
 We pledge our strength and loyalty.  
 Keep fighting.  
 Old Blue and Gold  
 Shall ever flaunt the skies in victory;  
 Raise your voice and shout the praise of  
 Trinity.  
 Fight on, fight on, you men of Trinity;  
 Fight on, fight on you men to victory.  
 "Trinity" our cheer shall ever be,  
 So up and (Repeat chorus).
